We need an alternative

"The Tories, Lib Dems and Labour all support cuts, privatisation and the anti-union laws. They all want us to pay for a crisis we didn't create. The bankers pay themselves millions in bonuses and big business avoids billions in taxes while our jobs and services are savaged."

"The Trade Unionist and Socialist Coalition does what it says on the tin - without any of the baggage and big-business agenda of the main political parties. Who else you gonna vote for?"
