

## TUSC candidates in May's council elections

Below is the final list of the 619 Trade Unionist and Socialist Coalition (TUSC) candidates approved by the TUSC national steering committee to stand in the local elections taking place on May 7th, contesting seats in 113 councils.

The Leicester Independent Councillors Against Cuts 'rebel councillor' Barbara Potter will also be standing on TUSC's anti-austerity platform in the city's Mayoral election on the same day.

The list of candidates is broken down into regions, with the number of candidates, and authorities within the region where TUSC is contesting a seat, listed in parentheses.

Of these candidates 598 are standing in the local authorities in England which have scheduled elections this year – there are TUSC candidates in exactly 100 of the 279 district councils (36%) in this category. In addition there are seven TUSC candidates standing in council by-elections on May 7th in authorities where there are no scheduled elections. And lastly there are 14 TUSC candidates contesting seats in eight Town or Parish council elections.

Six of the 619 candidates are appearing on the ballot paper using the joint description registered by TUSC and the Left Unity party, as indicated with an asterisk next to the candidate's name.
