

Over £100m has been cut from Bristol City Council by the mayor and his cross-party cabinet that includes Labour and the Greens.

Tom and TUSC say enough is enough!

VOTE TOM BALDWIN
FOR A WORKERS' MAYOR ON A WORKER'S WAGE

Some say there's no choice but to implement these cuts. But Jeremy Corbyn was right when he said austerity is a political choice. The Tories were forced into a U-turn on disability benefits. **Together we can push them back on council cuts too, but we need representatives who will take them on.**

This is a wealthy country but while the rich get richer we're still paying for their economic crisis. The problem is, in this capitalist society the profits of big business are put first. That's why I stand for a democratic socialist alternative. **I am standing for the millions, not the millionaires.**

PRE-ELECTION PUBLIC MEETING
Tuesday 3 May, 7.30pm
YHA, 14 Narrow Quay, BS1 4QA (on the waterfront)

Vote for Tom first preference. You also have a second preference vote in this election

IF ELECTED I WILL...

- Reverse all the current mayor's cuts
- Propose a budget based on Bristol's needs, not the Tory government's demands for cuts
- Build thousands of council houses to address the city's housing crisis
- Build a publicly owned, integrated public transport network so the need for affordable transport comes before profits for companies
- Implement a £10/hr minimum wage for council staff and push for it to be extended to all workers
- Organise a city-wide referendum on the handing over of our NHS services to profit-driven private companies
- Oppose the forced academisation of schools
- End privatisation and bring privatised services to public ownership
- Only take the average wage of a worker in Bristol, not the inflated mayoral salary
- Support those fighting back against austerity with strikes and protests **For more see www.tusc.org.uk/policy**

TUSC AGAINST CUTS

Tom and TUSC say enough is enough!

Some say there's no choice but to implement council cuts. But Jeremy Corbyn was right when he said austerity is a political choice. The Tories were forced into a U-turn on disability benefits.
By getting organised we can push them back on council cuts too, but we also need representatives who will take them on.

WHAT'S TUSC?
The Trade Unionist and Socialist Coalition (TUSC) was formed in 2010 because we working class people had been abandoned by all the establishment parties.
TUSC candidates are workers, trade unionists, anti-cuts activists and socialists who have signed a pledge to oppose the austerity that all the main parties have been united in carrying out.
Britain's richest 1,000 individuals own £519 billion - and they don't even pay their taxes! There's plenty of money that could be invested in decent jobs, social housing, the NHS and much more.
