Petition to the Electoral Commission

Don't give taxpayers' money to **UKIP and Tory EU campaigners!**

We the undersigned call on the Electoral Commission referendum broadcasts – potentially millions of pounds not to give taxpavers' money and other public resources to either the Vote Leave or Leave EU campaigns, or any amalgam of them, in the forthcoming EU referendum.

There are millions of trade unionists, young people, anti-austerity campaigners and working class voters generally, whose opposition to the big business-dominated EU would not be represented in the referendum by these organisations.

The Electoral Commission has the power to choose who shall be the 'official' Remain and Exit campaigns in the referendum. These organisations will then receive substantial public funding, free postage for leaflets, the use of rooms free of charge, and TV and radio time for

of public resources.

But the Electoral Commission does not have to choose an official campaign if there is not one organisation that adequately represents those supporting a particular outcome to the referendum.

We condemn the mainstream media for promoting UKIP, Tory and other pro-austerity and racist establishment politicians and organisations as the only exit voices. We call on the Electoral Commission not to follow their lead and instead recognise that a significant proportion of those who will vote against the EU support basic socialist policies of workers' rights, public ownership, and opposition to austerity and racism.
