

# Candidates using a TUSC description in the May elections

Below is the list of the candidates who are using one of the Trade Unionist and Socialist Coalition (TUSC) registered descriptions on their ballot paper in the elections taking place on May 7th.

There are 289 council candidates who applied to use a TUSC description contesting seats in 64 local authorities in England, presented below in a regional breakdown, including candidates for the directly-elected mayors of Croydon, Lewisham and Tower Hamlets.

There are also two constituencies being contested by candidates using a TUSC description in the Welsh Senedd elections (out of 16), listed below, with each constituency sending six members to the Senedd on a proportional system. And there are six constituency candidates using a TUSC description in the Scottish Parliament elections, also listed, agreed by the autonomous Scottish Trade Unionist and Socialist Coalition.
